

# *Faith Direct*

For about three years now, we have been working with a company called *Faith Direct* which allows for electronic donations to the parish by our parishioners. Slowly the number of people who use Faith Direct has grown and I have been very pleased with the service they provide to Curé of Ars.

Electronic giving makes it easier for the parish in several ways:

- 1) Electronic giving helps bring financial consistency to our parish by allowing families to give as they wish, even when they are out of town or unable to attend Mass due to an illness;
- 2) *Faith Direct* also saves the parish money because once you sign up for it you no longer need envelopes, which reduces our printing and postage costs while simplifying your financial record keeping;
- 3) For those who like an Annual Tax Report from the parish, our records will be accurate to the penny due to electronic giving.

For your convenience please see the reverse side of this page for an Enrollment Form for this method of giving and supporting our parish family with your weekly sacrificial gift. You may also want to visit the *Faith Direct* website, [www.faithdirect.net](http://www.faithdirect.net) for more information, or to securely enroll on-line by using our parish code **NY120**, if you so choose.

Peace and blessings,
